"Our Valuable Souls"

Lesson:

Today we are learning about how you are valuable to God.

Being valuable means that you are special to God!

We are not special by what we can DO for God. Instead, the Bible says that we are special because God made us in His image.

Being made in God's image means that God has made you with an eternal soul that will never die.

When your body dies, 1 of 2 things will happen:

- 1) your soul will live forever with God in heaven,
- 2) Your soul will live forever apart from heaven, in hell.

Your guilty conscience tells you that you are a sinner. Even if you disobey your parents just ONCE, that still makes you bad enough to deserve death and eternity in hell.

The good news is that God wants to save your soul! Jesus, the eternal Son of God, came and gave His life for you. He came humbly to this world as a baby, and grew up on earth. He never disobeyed His parents and never did anything bad.

When He grew up, Jesus died a painful, sad death to pay for every single one of your bad deeds. Then he rose up from death, and is alive again!

Jesus has risen from the dead to save your soul, and He wants you to believe that all this is true.

God wants you to believe that He can save your soul from sin and death. God tells you to believe in the Good News about Jesus. If you do, then He will give you a new heart so you can obey everything written in the Bible.
