

This plan is a variation of John MacArthur's Bible reading plan. You will read through the New Testament 6 times in one year by reading each portion every day (excluding Sunday) for one week before moving on to the next portion. This is to help build a greater familiarity with the text since you'll read it seven times in quick succession rather than reading the text once and not coming back to it for several months.

The plan goes back and forth between narrative books (the Gospels & Acts,) longer letters (Romans, 1 Corinthians etc.,) and smaller books (the Epistles, 1, 2, 3, John etc.) This way you are getting a variation of narrative and teaching.

We hope your knowledge and familiarity with God's Word rapidly expands this year!

Soli Deo Gloria!
